TEACHER'S CORNER

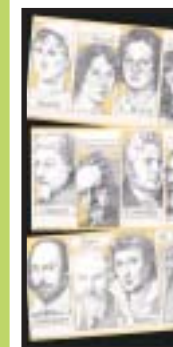

AMERICAN AUTHORS POSTERS

The American authors poster series represents a spectacular alphabet of literary giants like Anderson, Baldwin, and Cather, Dickinson, Emerson, and Frost. It is a stunning way to acquaint students with the most famous writers of the United States. The posters feature fine original portraits of 40 American authors, and can be displayed in the classroom, hallway, or library. The series includes eight separate posters

(measuring 11" by 28" each) that combine to span almost 19 feet in total.

TK15010 8 POSTERS \$18

ENGLISH AUTHORS POSTERS

This poster series was developed to introduce students to the great names and faces of English literature. The posters represent an entire alphabet of notable English writers — Austen, Brontë, Chaucer, and so on — with magnificent portraits rendered of each author. The eight separate panels measure 11" by 28" each, and the total artwork combines to span 224" in length. These posters are sure to

make literature come alive for students.
