## 9 Hours 9 People 9 Doors

© 2010 AKSYS

You only have 9 hours before Junpei and the other 8 kidnapped drown.

Numerology, music composition and logic puzzles are just a few of the 32 plus obstacles that stand in the way of their freedom. Nine Persons: Uncover the mystery surrounding the lives of the 9 captive characters and how their blurry pasts reveal a disturbing future. Help all the characters escape but beware! A wrong decision or careless mistake might put their lives in jeopardy. Nine Doors: Each hostage is cursed with a digital watch that displays their special number. These numbers are the keys to unlocking the 9 doors. Explore your surrounding for clues to unlock the next door by picking up and examining objects. Rated M.

## Karaoke Master

© 2011 eMEDIA

*Karaoke Master* provides everything you need to master karaoke, even the microphone! This two CD-ROM set turns any CD or MP3 files you own into a karaoke system and gives you lessons to improve your singing. The first CD-ROM, My Voice,

allows you to take your favorite audio CDs or MP3s and replace the singer. Sing along with songs in your collection as you mute the original singer and become the star! There's no need to buy other equipment or special CDs. You can enter lyrics, record yourself and add studio effects to your vocals or of the music! The second CD-ROM, EarMaster Essential 5, gives you over 130 lessons to improve your pitch and rhythm. The ear training exercises provide instant feedback – they guide you and automatically increase in difficulty as your ear for singing improves. When you go back to singing your favorite songs, you'll hear the difference. Not Rated.

**The Penguins of Madagascar**

© 2010 THQ

Action revolves around the antics of the four lovable, yet quirky Penguins, Skipper, Kowalski, Private, and Rico and their famous yet unlikely commando like precision that they unleash to defend the zoo against all dangers. Gameplay is mission-based, spread across three episodes, each with its own storyline. Each penguin has its own unique abilities and strategies ranging from acrobatic maneuverability, to the ability to build contraptions and gadgets. It is up to the player to decide how to use these abilities, as well as whether to utilize them through an individual penguin or to combine the strengths of the team in the face of a challenge. Rated E.

### ... AND HOW TO STOP

You can quit at any time. Just mail or fax us a letter saying that you want to discontinue the service. You are not obligated to subscribe for any length of time.
